

# *Welcome to the* TOWNSHIP OF **FLORENCE, NJ**

## **Press Release For January 20, 2023**

### **1. Florence Township Water and Sewer:**

*Florence Township Water and Sewer routinely monitors for the presence of federal and state regulated drinking water contaminants. New Jersey adopted a standard, or MCL, for PFOA in 2020 and monitoring began in 2021. The MCL for PFOA is 0.014 parts per billion (ppb) and is based on a running annual average (RAA), in which the four most recent quarters of monitoring data are averaged. On September 13, 2022, we received notice that the sample collected on August 24, 2022 showed that our system exceeds the PFOA levels. The RAA for PFOA based on samples collected over the last four quarters to be 0.015 ppb. After receiving notice, Florence Township immediately began testing our wells to locate the cause of the elevated PFOA results. We have identified the wells with the higher levels and will be taking them offline until corrective action is taken. Florence Township will consult with our water engineer to develop a corrective action plan. The wells that have been tested and are in compliance will continue to provide the main source of our drinking water. We will continue to test the wells to ensure the safety of our residents. We anticipate resolving the problem by October 2023. For more information, please contact David Lebak at (609)-499-2518.*

*For frequently asked questions and answers regarding PFOA Levels, please go to the township web-site main page, under "Latest News in Florence" click on "See All News" and scroll down to October 28th and click on "Frequently Asked Questions Regarding High PFOA Levels"*

### **8. Water Service Lines Letters:**

*In July 2021, P.L.2021, Ch.183 (Law) was enacted, requiring all community water systems to replace lead service lines in their service area within 10 years. Under the law, Florence Township is required to notify customers, non-paying consumers, and any off-site owner of a property (e.g., landlord) when it is known or unknown, if they are served by a lead service line. A letter was sent out on 9/1/22 to those residents this new law may affect. Note that per C.58:12A-41, section 2, the definition of a lead service line now includes lead connectors (lead gooseneck, lead pigtail, or other lead fitting) and galvanized service lines. Our service line inventory is available at [www.florence-nj.gov](http://www.florence-nj.gov). A service line is a portion of pipe that connects the water main to the building inlet. In Florence Township, the service line is owned entirely by the property owner. The service line materials are [lead/galvanized/unknown]. Florence Township is developing a lead service line replacement program. If you are planning to replace your lead service line, contact us at (609) 499-2518 prior to replacement so that we can coordinate our efforts.*

### **9. Municipal Offices:**

*For the safety of our employees and the public, we encourage individuals to wear a mask while inside the municipal building, especially if you are not feeling well. We encourage the public to continue to use the drop box located inside the front entrance to the Municipal Building for all payments, license renewals, construction permits, etc. Normal office hours are 9:00 a.m. to 4:30 p.m.*

## **10. Township Council Meetings:**

*The next Council meeting will be Wednesday, February 1, 2023 starting at 7:00 p.m. Residents are encouraged to attend the meeting in-person. Instructions for virtual attendance can be found on the Township's website ([www.florence-nj.gov](http://www.florence-nj.gov)), on our Facebook page (Florence Township), or by calling the Township Clerk's Office at 609-499-2525, Monday through Friday from 9:00 a.m. to 4:30 p.m. If you are unable to attend the meeting in person or virtual, you can review the zoom recording of the meeting beginning the next day by going to the township website or the link posted on our Facebook page.*

#### **14.COVID COMMUNITY IMPACT:**

*If you would like additional information on COVID-19, including county-wide totals for daily new cases from the New Jersey Department of Health (NJDOH), please visit <https://covid19.nj.gov/>.*

#### **TESTING:**

*Burlington County's COVID-19 Test Site is now offering a COVID only test, or a combined COVID-19/Flu panel. This is not a rapid test. Results are generally available within 48 hours depending upon lab volume.*

*Visit the Burlington County Health Department website for dates and times: [co.burlington.nj.us/1927/COVID- 19-Testing](https://co.burlington.nj.us/1927/COVID-19-Testing).*

*To make it easier for everyone to be able to get COVID-19 test kits, the federal government is letting people order free home tests again at <https://www.covid.gov/tests> . Each household can order 4 free at-home COVID test kits. Orders should begin shipping the week of 12/19/22. Order yours today so you can test and protect your family during holiday gatherings! The Health Department is administering both Monovalent and Bivalent vaccines. Monovalent Vaccine for the Primary Series protects against severe complications from the original strain of COVID-19. The Bivalent Booster protects against severe complications resulting from infection from the original strain, as well as the BA.4 and BA.5 Omicron strains of COVID-19. The Omicron strain is the predominant strain that is currently circulating. The best protection is achieved by completing your primary series and getting your booster shot as soon as you are eligible.*

#### **VACCINES OFFERED:**

- ◆ *Primary Series (Monovalent)*
- ◆ *Pfizer: 6 months – 4 years/5 – 11 years/12 years and older*
- ◆ *Moderna: 6 months – 5 years/6-11 years/12 years and older*
- ◆ *Novavax: 12 years and older*
- ◆ *Booster Shots (Bivalent)*
- ◆ *Pfizer: 6 months and older*
- ◆ *Moderna: 6 months and older*

*Vaccinations for homebound individuals can be scheduled by calling the Mobile Medics at 844-569-0390. If no one answers your phone call, leave a message with your name and best contact phone number, and someone from Mobile Medics will call you to schedule your in-home appointment.*

*The CDC has approved the administration of bivalent vaccine for children under 5. Burlington County Health Department COVID clinics are now administering the “baby bivalent” vaccines per CDC and FDA*

*guidelines. The bivalent vaccine protects against serious complications from the original and Omicron strains of COVID-19.*

*Individuals wishing to book appointments elsewhere can visit NJ COVID-19 Vaccine Appointment Finder to get an appointment at locations throughout New Jersey at <https://covid19.nj.gov/pages/finder>.*

***MASK RECOMMENDATIONS:***

*KN95 or N95 or double layered well-fitting surgical and cloth are still recommended by the CDC in certain situations (immunocompromised, etc.).*
